Ferenc Nagy

Place of birth: Debrecen, Hungary | **Phone:** (+356) 99070901 (Mobile) | **Email address:** ferenc79.nagy@gmail.com | **Website:** https://francis79-big.github.io/resume_repo/index.html | **LinkedIn:** Ferenc Nagy | **Address:** Triq il-Parroċċa, 15, PEACE HOUSE no2 , SPB 3361, San Pawl il-Baħar, Malta (other)

ABOUT ME

Results-driven Computer Engineer and Application Support Specialist with extensive experience in enterprise-level IT operations, Cloud Privacy Services, and multi-line technical support for global B2B clients. Proven expertise in containerization (Docker, Kubernetes), system monitoring and performance checking (Grafana, Opsgenie, Zabbix, OCS), SLA management, ITSM / ITIL frameworks (Incident, Problem and Change Management, ServiceNow, Jira), and troubleshooting complex application environments. Skilled in cross-functional collaboration, process optimization, and maintaining high operational stability.
